OUR HOLY MOTHER'S MESSAGE

Dear children! I am with you all these years to lead you to the way of salvation. Return to my Son, return to prayer and fasting. Little children, permit for God to speak to your heart, because Satan is reigning and wants to destroy your lives and the earth on which you walk. Be courageous and decide for holiness. You will see conversion in your hearts and families, prayer will be heard, God will hear your cries and give you peace. I am with you and am blessing you all with my motherly blessing. Thank you for having responded to my call.

VIVAT JESU! Robert Lelievre, Grand Knight

DONATIONS

The Officers of the Council are still having meetings on line. We recently made donations in the amount of \$100 to the Catholic Appeal, \$200 to Chalice of Salvation for their Mother's Day and Father's Day masses, \$35 to the Greek Orthodox Church, and \$1,000.00 to Sunshine Village Annual Golf Tournament. It was brought to our attention that there are only 5 seminarians so we would like to help each of them with a gift of \$500. Lastly, \$1,000 to each of the 5 Catholic schools, St. Joan of Arc, and St. Stanislaus, both in Chicopee, Mater Dolorosa and Blessed Sacrament, both in Holyoke, and St. Michael's Academy in Springfield.

BINGO

I have been receiving several phone calls regarding Bingo. All I can say is there have been no decisions made as to how we are going to conduct Bingo without some guidelines from the Governor of MA, the CDC, and others.

Is the occupancy going to be limited? Are we going to have food served and does everything have to be packaged individually before the doors open? Are we going to sell the specials like before or does everything have to be sold from behind the counter? Spacing between seats and tables have to be considered if the social distancing rule applies? How are the winners going to receive their prize? Are we going to have enough volunteers? Many of our players are elderly. Are we going to have enough people to make opening a viable idea? Etc...

Again, there are many issues that will have to be discussed before we advertise that we are open for Bingo. Until then, I will make an informed decision with the input from some of my volunteers.

Kevin Godek, Bingo Chairman

CANDLELIGHT LIVING ROSARY SERVICE

Honor our Lady of the Rosary by joining us with family, friends and neighbors for our Candlelight Living Rosary Service, Tuesday May 12, 2020 at 7:00PM in our Banquet Facility. This short but meaningful ceremony, led by Council Guest Chaplain Rev. Dennis Skowera, features a live music program. Light Refreshments will be served afterward.

Edward J. Stawarz,

REPOSE OF THE SOUL

Please remember to keep in your prayers all of the Brother Knights and members of their families who have passed away, those who are sick and elderly, for all priests and religious vocations, for the life of the unborn, and remember to keep the men and women serving in our military safe, so they may return home to their loved ones.

We ask that you pray for the repose of the soul of Brother Knight Raymond Hamel and Brother Knight Robert Laverdiere.

INSURANCE

Financial Wisdom of the Banks, Walt Disney, and JC Penney

In times like this is when people are thankful that they had decided to participate in a money growth plan where they maintain constant return on their money, while having absolutely no risk on the principal nor the growth. The best plan for this is Whole Life Insurance. It is a place where you can withdraw funds in times of market volatility without worrying about losing any potential growth.

This is why Whole Life Insurance is a favorite investment among Americas top Banks, such as JP Morgan, and Bank of America, both of whom have more money in Cash Value Whole Life Insurance than all of their real estate across the globe. This is also the investment that kept JC Penney alive and paying their employees through the great depression, and what helped Walt Disney follow his dreams and build Disney World and Land.

If you want a nonvolatile investment alternative, that will provide a source of income through recessions, pandemics, and depressions, whole life is not only the best solution, but the only solution that can also protect your family with a death benefit.

Please give me a call to learn more about receiving **double digit returns** through life insurance, and prepare yourself for any future economic risks.
